The academic advising process involves many segments of the University community including students, faculty members, professional advisors, counselors, administrative staff, and student peers. Advisors and advisees should seek to integrate the services and expertise of both academic and student affairs professionals.

(University Procedure 2A: 16:01A)

Permission to AUDIT will be limited according to space availability.

Persons who will become sixty-five (65) years of age prior to or during the academic semester in which they begin classes and who are domiciled in Tennessee, may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. **PLEASE NOTE: Students must contact Registration Services (901) 678-2676 after they enroll to obtain tuition reduction.**

### STUDENTS WITH DISABILITIES

Eligible students with disabilities may register prior to their assigned time so adequate plans can be made for disability related needs and academic accommodations. The Office of Student Disability Services (SDS) mails detailed early registration instructions to students registered with their office. Other students with disabilities are encouraged to contact the SDS office for eligibility information.

Registration is available from any touch-tone telephone as well as the web. Students who are unable to register either by telephone or web, may go to Student Information Services, 119 Administration Building, for personal registration assistance. Students must comply with the advising procedures established by their college and/or department before registering.

For further information, please contact Student Disability Services, 215 Scates Hall, (901) 678-2880 (Voice and TDD).

### TRANSCRIPT REQUESTS

The University of Memphis requires written authorization from the student to release transcripts. Transcripts may be requested in person (143 Administration Building), by mail or by FAX (901) 678-3249. Include the following information with the request: complete name, former names, Social Security Number, birth date, current address, first and last years of attendance, address(es) where transcript is to be mailed, number of copies to each address. Sign and date the request. There is no fee for transcripts; however, a transcript will not be released if the student has not satisfied all obligations to the University. Direct questions to the Transcript Office at (901) 678-3927.

### TRANSFER CREDIT/U of M STUDENTS

After admission to The University of Memphis as a regular undergraduate, students must consult with their advisor and the Undergraduate Admissions Office if they anticipate enrolling at another college or university for the purpose of transferring credit to The University of Memphis. A Transfer Credit Request form must be completed. For completed additional undergraduate course work to be transferred from another university, the student must request that an evaluation be completed by Undergraduate Admissions, (901) 678-2111. For information about the transfer of graduate credit, contact The Graduate School, 317 Administration Building, (901) 678-2531.

### WITHDRAWAL PROCEDURES

Students who register and are unable to attend the semester must formally process a withdrawal prior to the first day of classes to avoid having an academic record (official term grades recorded). Failure to officially withdraw will result in grades of "F" for the courses in which the student is enrolled. Courses dropped after the last day to add will be graded "W" (for withdrawn).

Withdraw on **TIGERWEB** www.tigerweb.memphis.edu or **STRIPES** (901) 321-7000. Students must know their PIN (Personal Identification Number) and call numbers to process withdrawals.

Refer to ***Semester Calendar*** in this publication for specific dates to withdraw.

**The University of Memphis - Statement of Mission**

The University of Memphis is a member of the State University and Community College System of Tennessee and is governed by the Tennessee Board of Regents. As an urban university, The University of Memphis provides a stimulating academic environment for its students, including an innovative undergraduate education and excellence in selected research areas and graduate programs. The academic environment extends beyond the campus boundaries to encompass the entire community.

Education is enhanced through exposure to diversity in the composition of the student body, faculty, staff and administrators; including women, minorities, individuals with disabilities and various age groups and religions. The University has responded to the challenging responsibility of being located in a culturally diverse region by developing a unique blend of teaching, research and service that contributes to the growth of the Mid-South region.

Teaching brings the benefits of scholarship and research to students and through them to the people of the area. The University of Memphis asserts that excellence in teaching traditional and non-traditional students is its central responsibility. A comprehensive undergraduate education, grounded in the arts and sciences, develops intellectual, cultural and ethical qualities in its students. The innovative General Education Program challenges students to develop the analytical and critical skills necessary for lifelong learning. The University of Memphis offers masters and doctoral degrees in selected graduate programs as well as degrees in the major professional areas. Through learning begun at The University of Memphis, graduates compete in the global intellectual community in which they live.
As a research university, The University of Memphis develops, integrates, disseminates and applies knowledge. Faculty maintains ongoing programs of basic and applied research or creative activities appropriate to their disciplines. The University's urban environment provides a rich opportunity for research and creative scholarship, and for the use of that scholarship in the intellectual and cultural development of the region. The University's commitment to fostering a research and creative environment harmonizes with the other aspects of its mission.

The University of Memphis fulfills its outreach mission through its contributions to professional organizations and to the needs of the community. The University promotes intellectual, cultural and community development through, for example, its artistic programs, lecture series, technical assistance, continuing education and intercollegiate athletic programs.

The University of Memphis, through its research, teaching and outreach roles, responds to individual needs, such as the support of health care and preventive health services. The University addresses broader issues as well, for instance, K-12 education, economic development, environmental initiatives, international programs, computing and telecommunications.

# MISCELLANEOUS INFORMATION

## EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown, which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review in the Environmental Health and Safety Office, 216 Browning Hall. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

## VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.

Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (119 Administration Building 678-2996). New students should be prepared to furnish the following items as needed: a VA copy of their DD 214 (Certificate Of Release Or Discharge From Active Duty), DD 2384 (Notice Of Basic Eligibility), or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veteran's educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veterans Request for Certification Form.
(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Evaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your advisor, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

## HARASSMENT POLICY

### Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex or race. Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience and well being of students, faculty and staff. Incidents involving sexual harassment or racial harassment have no place within the University. In both obvious and subtle ways even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff and the academic community as a whole. When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
   1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
   2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
   3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

B. Sexual harassment encompasses any sexual attention that is unwanted and can take many forms, but most sexual harassment falls into three categories: verbal, visual, and physical. The examples listed above are not exclusive, but simply represent types of conduct that may constitute sexual harassment. Some examples of behavior or conduct that may constitute sexual harassment include, but are not limited to:
   1. refusing to hire, promote, or granting or denying certain privileges because of acceptance or rejection of sexual advances
   2. promising a work-related benefit or a grade in return for sexual favors
   3. suggestive or inappropriate communications, e-mail, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments
   4. sexual innuendoes, comments, and remarks about a person's clothing, body or activities
   5. suggestive or insulting sounds
   6. whistling in a suggestive manner
   7. humor and jokes about sex that denigrate men or women
   8. sexual propositions, invitations, or pressure for sexual activity
   9. implied or overt sexual threats
   10. suggestive or obscene gestures

Consensual Relationships - Intimate relationships between supervisors and their subordinates, and between faculty members and students are discouraged since such relationships could lead to undue favoritism or the perception of undue favoritism. Such relationships are improper when they influence or could reasonably be expected to influence decisions or actions in University-related matters.

Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way that abuses or offends their coworkers.

he University seeks to encourage the prompt reporting of such arassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another tudent, the Assistant Dean of Students for Judicial Affairs, 105 Iniversity Center, will investigate and resolve the complaint in ccordance with appropriate student procedures. n addition, the University will take steps towards and encourage the evelopment of programs aimed at informing students and employees f their rights to be free from sexual harassment and the procedures vailable for reporting. Programs will also be developed and aimed at reventing harassment.

rocedures

he following procedures are intended to protect the rights of the ggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each allegation will be properly and promptly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action that is appropriate, e.g., suspension with pay, pending the outcome of the investigation by the EEO/AA Officer or Assistant Dean of Judicial Affairs. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at The University of Memphis shall present the allegation to the designated EEO/AA Officer or Assistant Dean for Judicial Affairs responsible for compliance with Title VII of the Civil Rights Act of 1964, Title VI, or Title IX of the Education Amendments of 1972.
2. Every attempt will be made to get the aggrieved party to provide the allegation in writing. The allegation shall include the circumstances giving rise to the allegations, the date of the alleged occurrences, and names of witnesses, if any. The allegation shall be signed by the aggrieved individual. However, where the aggrieved individual refuses to provide or sign a written allegation, the allegation will still be investigated, and recommend to the President appropriate action. Allegations made anonymously or by a third party must also be investigated to the extent possible. Based on the findings of this investigation, the EEO/AA Officer may recommend to the President appropriate action that may or may not be the steps outlined in the remaining paragraphs of this guideline.
   If there is insufficient evidence to corroborate the allegation(s) or, in any situation in which the alleged victim refuses to cooperate in the investigation, it may be appropriate to discuss the allegation with the alleged harasser, informing him or her that s/he is not being accused of a P-080 violation, but that the conduct alleged could be found to violate this guideline. Any investigation and subsequent discussion should be documented and a report submitted as set forth in this procedure.
3. The Office of General Counsel shall be notified of the allegation, whether written or verbal, as soon as possible after it is brought to the attention of the EEO/AA Officer or Assistant Dean for Judicial Affairs and the investigation will be under the direction of the General Counsel. On campus legal assistance shall be forwarded a notice of the allegation.
   Where a student is the party against whom a complaint is made, all documentation shall be subject to the provisions and protections of the Family Educational Records and Privacy Act (FERPA).
4. The EEO/AA Officer or Assistant Dean for Judicial Affairs shall notify in writing the alleged harasser within five (5) working days of receipt of the allegation. The alleged harasser shall respond in writing to the allegation within five (5) working days of notification. The alleged harasser should be notified that any retaliation against the accuser is strictly prohibited regardless of the outcome of the P-080 investigation and may, in itself, be grounds for disciplinary action.
5. The EEO/AA Officer or Assistant Dean for Judicial Affairs may meet with both parties for the purpose of resolving the charge informally. If informal resolution is successful in resolving the complaint, a report of such, having first been reviewed and approved by the Office of General Counsel, shall be submitted to the President.
6. A report shall be submitted to the President and the parties within twenty (20) working days following receipt of the allegation. Each report shall outline the basis of the allegation, including the dates of the alleged occurrences, the response of the alleged harasser, the findings of the EEO/AA Officer or Assistant Dean for Judicial Affairs and all attempts to resolve the allegation informally and recommendations regarding disposition of the allegation. If following an investigation the EEO/AA Officer or Assistant Dean for Judicial Affairs finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.

7. The President shall review the report and make a final determination as to whether a violation has occurred and, if so, what the appropriate resolution should be.

   If the investigation reveals evidence to support the allegation, the President may meet with the charged party and/or the aggrieved party and attempt to resolve the problem by agreement. Appropriate steps must be taken to ensure that the harassment will not reoccur. The charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. An alleged harasser may request a hearing within ten (10) days following receipt of the report.

B. Hearing
   1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established The University of Memphis procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
   2. When an individual elects to proceed under the established The University of Memphis procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established institutional procedures, these procedures shall include the following minimal requirements:
      a. Notice of the charge to the party or parties.
      b. The right of the party or parties to present his or her case.
      c. The right to be accompanied by an advisor.
      d. The right to call witnesses in his or her behalf.
      e. The right to confront witnesses against him or her.

      In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.
   3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate University of Memphis official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
   4. When an allegation involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. However, where the investigation results in a finding that the harassment policy was violated and the President concurs with that finding and determines that the harassment constitutes adequate cause for termination, then the matter will proceed directly to a hearing under either The University of Memphis policy for termination of tenure or TBR policy 5:02:03:00.

## THE UNIVERSITY OF MEMPHIS' POSITION ON DRUG AND ALCOHOL USE BY STUDENTS

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully processing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.

   - At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.
   - Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.

   Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled substance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $1,000,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or college campus (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $1,000,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.
   - The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infection increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. The University of Memphis students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling Unit, the University's Health Center and the Department of Psychology's Counseling Services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067.
   - Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contacted either directly or through referral by The Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the **Student Handbook** section on student discipline ("Code of Conduct") at www.memphis.edu/stuhand2 or contact the Office of Judicial Affairs at 678-2298.

## SEXUAL ASSAULT

**What acts are considered sex offenses?**

According to Tennessee law, sex crimes involve the use of force or coercion to sexually touch or sexually penetrate the victim's body. Threats of death or use of a weapon increases the severity of legal charges. Sex crimes can be prosecuted even if the victim knew the attacker, the victim did not fight back, the victim had sex with the attacker before being raped, or the victim was drunk or unconscious.

**What should I do if I'm sexually assaulted?**

Seek medical attention immediately. Do not shower, change clothes or disturb the scene of the attack. Go to the emergency room or call the Memphis Sexual Assault Resource Center (272-2020). Ask a friend to go with you, if possible. Medical personnel will treat the physical consequences of assault, such as injury, infection, disease and pregnancy. They can collect evidence that will be needed if you report the crime. They are required to contact local law-enforcement

agencies; however, you may choose whether to speak with police personnel. You may choose to report the crime through several means.

Individuals at the Memphis sexual Assault Resource Center (272-2020), the Office of Judicial Affairs (678-2298), Police Services (678-4357), or the Center for Student Development counselors (678-2068) can talk with you about your decision to report the crime, help you find the resources you need, and respond to requests to change your academic or living situation because of the attack. Several community counsellng services available to victims of sexual assault are listed in the Memphis Yellow Pages, under "Counseling". Remember, there is no shame in being raped.

Whether or not legal changes are filed, students accused of sexual abuse or assault are subject to disciplinary actions from the University, including suspension or other sanctions deemed appropriate. Both the accuser and the accused are entitled to have as advisor present during the disciplinary proceedings, and both will be informed of the outcome of the proceedings.

**How does the University educate students and staff about sex offenses?**

The offices and agencies listed above have information or referrals for rape awareness and prevention. In addition, the Center for Student Development, Student Health Services, and the Crime Prevention Unit of Police Services offer workshops, speakers, and programs on sexual assault education; participate in the Sexual Assault Awareness and Prevention and Campus Acquaintance Rape Education Programs; provide counseling for students; and distribute brochures on dating violence, acquaintance rape, rape crisis services. Tennessee sex crime laws and guidance for rape victims and their family and friends.

## CRIME AWARENESS & CAMPUS SECURITY ACT OF 1990

1. The University of Memphis Procedure No. 2D: 06:01A provides that all suspicious and/or criminal activity should be reported to the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (155 Administration Building), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
2. The campus and facilities of The University of Memphis are restricted to students, faculty, staff, guests and invitees of the University, except when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose.    The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00am) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.
3. The Department of Public Safety employs 30 commissioned peace officers. University Police Officers attend a basic police academy and an annual in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University.

   Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.
4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.
5. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a university student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.
6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.
7. No person, other than law enforcement officers when in the discharge of their official duties, may possess a weapon on premises owned, operated, managed, or under control of The University of Memphis. This exclusion includes individuals who have obtained permits to carry concealed weapons from the State of Tennessee or any other entity.

## GRADUATION AND RETENTION RATES

The projected graduation/completion rate for full-time freshmen who entered in Fall 1993 is at least 65%. ## PARKING REGULATIONS

The U of M Parking Office is located at 120 Zach Curlin Parking Garage. Office hours are Monday - Thursday, 7:00am - 6:00pm, and Friday, 7:00am - 4:30pm. Please note: Hours may differ during U of M's student registration periods. Contact the Parking Office at 678-2212 for specific operating hours.

**Campus Traffic and Parking Regulations** are available in the Parking Office, 120 Zach Curlin Parking Garage, the Office of Judicial Affairs, University Center, and the Visitor's Information Center located at the corner of Patterson and Central.

Every vehicle parked on campus property must have a parking permit (hangtag) properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits (hangtags) are designed to hang from the inside rearview mirror post but may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit (hangtag) must be purchased from the Parking Office when you forget

to transfer the regular hangtag. Parking permit fees range from $19 - $200 based on the level of parking desired. **If you lose your hangtag, a replacement fee of $10.00 will be charged. A lost or stolen permit (hangtag) must be reported to the Parking Office.** For additional information, telephone the Parking Office at 678-2212.

**Parking lots** are Priority (gate access), Reserved, General, Resident or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

**Priority (gate access) lots** have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration. Resident students may charge resident parking fees on their university account during dorm check-in.

Vehicles must be parked within parking spaces delineated by white lines. Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

**Visitor parking** is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits (hangtags) are available at the Parking Office or Visitor Information Center for a fee of $1.00 per day. The Visitor Information Center is located at Patterson Street and Central Avenue and the Parking Office is located at 120 Zach Curlin Parking Garage.

**Garage parking** is available Monday through Friday at Deloach and Norriswood streets. Garage parking rates are posted at the entrance of each garage.

University Police officers, parking assistants, faculty members or staff employees are not empowered to allow anyone to violate the traffic and parking regulations. Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. The University of Memphis does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357, or by using any emergency telephone located at various sites across campus and in the lobbies of most academic buildings.

# STUDY TIPS

*If you've ever spent hours studying only to discover you haven't retained anything the next day, the following tips may help you to study more effectively.*

## WHEN & WHERE TO STUDY

- It is recommended to study two hours for every hour spent in class.
- Establish a study schedule for each class and stick to it.
- Don't pull an all nighter. You will retain more without wearing yourself out if you study in more regular, shorter sessions.
- Identify gaps in your schedule that can be used for studying. For example, the time between classes or waiting for a bus is perfect for reviewing notes.
- Set up a study area in a quiet place. Be sure to have everything you may need within reach.

## STAYING FOCUSED

- Start each study session by setting goals. Prioritize your work by deadlines and by the amount of time the material will take to get through.
- Break up a study session with short breaks to stay alert. Get up and move around. Try incorporating breathing and stretching exercises to really get a fresh start.
- Eliminate distractions such as television or radio noise. Noisy roommates? Try the library or another study area on your campus.
- Make sure others respect your study time; learn to say no to demands that will interrupt it.
- Don't overdo it. Only do what is appropriate.

# TEST TAKING TIPS

## Arrive Early & Come Prepared

Bring everything you need with you such as pens, a calculator, and scratch paper and allow yourself enough time to get comfortable and relax before the test begins.

## Stay Relaxed & Confident

Don't become anxious. Remind yourself that you are well prepared. Take slow, deep breaths if you become anxious before or during the test.

## Be Comfortable But Alert

Make sure you have enough room to work and maintain an upright posture in your seat.

## Preview The Test

Spend a few moments reviewing the test. Look for key terms and decide how to budget your time. While reviewing the test, take brief notes indicating ideas you can use later in your answers.

## Answer The Questions In A Strategic Order

Answer the easy questions first. Then answer the questions with the highest point value. The last questions you should answer are those that are the most difficult, take the greatest amount of writing, or have the least point value.

## Multiple Choice Tests: Know When To Guess

Eliminate anwers you know are wrong. If there is no penalty for guessing, do so. Start by eliminating options. Your first choice is usually correct, so don't change your answers unless you are sure of the correction.

## Essay Tests: Think Before You Write

Create a brief outline for your essay by jotting down a few words to indicate ideas you want to address. Then number the items in your list to indicate the order in which you will discuss them.

## Essay Tests: Get Right To The Point

State your main point in the first sentence. Use your first paragraph to provide an overview of your essay. Use the rest of your essay to discuss these points in more detail. Back up your points with specific information, examples, or quotations. Conclude your essay with a brief summary of your main point.

## Review Your Test Answers

Review your test. Make sure you have answered all the questions. Proofread your writing for spelling, grammar, and punctuation. Check your math answers for careless mistakes. Match your actual answers for math problems against quick estimates.
